Help

For help with your Emich account information (i.e., screen name lookup, password reset, etc.), call the EMICH IT Help desk (734-487-2120 - Option 3). The IT Helpdesk is located at Office 106 Halle Library and open from 8am-5pm weekdays. Please be aware that during September the IT Helpdesk experiences heavy call volume due to new students/staff which may cause longer hold times when calling.

For help with parking registration, call (734)217-4892 or email ParkEMUhelp@LAZParking.com.
