By selecting the Pay button you agree to our
Terms & Conditions, Privacy Policy and License Plate Recognition Policy.

To use a credit card you have on file, click the check mark next to the last 4 digits of that card.

If you would like to use another credit card, select **Use Another Card**.

Selecting **Use Another Card** will allow you to input another credit card to use for this transaction.

If you only like to use this card for the current transaction, select **PAY**. Doing so will complete the transaction.

Selecting **Save My Info For Next Time** will save the payment method to your account, allowing you to use it for future transactions.

If you experience any registration issues or you need help with the permit registration process, call (734) 217-4892 or email ParkEMUhelp@LAZParking.com.

Please note it is the sole responsibility of the permit holder to ensure their permit is registered and/or up-to-date at all times.

Failing to register and/or update permit information before parking a vehicle on-campus will result in a valid citation.
